

MANAGER RISK & COMPLIANCE

We have been operating in the Insurance Industry since 1999, while offering innovative solutions covering across all lines of businesses with the third largest network in Sri Lanka. As we continue to grow and expand our services with numerous challenges, we invite exceptional individuals to join us and be a part of our incredible success story.

Key Responsibilities

- Implement and drive the compliance program to ensure adherence to regulatory requirements, ethical standards and company policies
- Review and evaluate compliance issues and concerns, implement necessary actions to address them
- Analyze and prepare the risk reports to submit sub committees
- Successfully manage the Anti-Money Laundering (AML) program
- Preparing and submitting compliance reports to management, the Board of Directors, The Insurance Regulatory Commission of Sri Lanka and the Financial Intelligence Unit for AML matters
- Provide advice and guidance on all compliance related matters to the Board and senior management
- Conduct regular audits and compliance reviews to identify areas for improvement
- Stay updated on industry trends and regulatory changes, ensuring timely communication with relevant stakeholders

Qualifications and Experience

- Bachelors' degree in Law, Finance or Business
- Professional accountancy qualification (CA/ACCA/ACMA)
- Postgraduate studies in Compliance would be an added advantage
- Being an Attorney-at-law preferred
- Strong understanding of regulatory requirements and compliance frameworks, including AML regulations and regulations of Securities and Exchange Commission
- Excellent analytical, problem-solving, and communication skills
- Ability to work independently and collaboratively in a fast-paced environment.
- Minimum of 2 - 3 years experience in compliance or a related role in insurance or other regulated industry

Only short-listed candidates would be called for interviews. Please forward your CV with the contact details of two non-related referees to careers@coopinsu.com
